

# BAKING *for* GOOD

www.bakingforgood.com

Dear Donna and Maryann,

We at Baking for Good have long admired your commitment to rescuing golden retrievers. Each month we raise money through the sale of our baked goods and make contributions to nonprofits that span several categories including arts, children, education, health, and young philanthropy.

We are pleased to let you know that we have chosen your organization as the Animal cause recipient for April. A donation was made online on May 12, 2013 in the amount of \$87.20.

We hope that these funds will help your organization continue its important work. We would love to hear how you decide to allocate the contribution. You can email us at [causes@bakingforgood.com](mailto:causes@bakingforgood.com) or write us a message on twitter @BakingforGood. We look forward to hearing from you!

Sincerely,
